# 可值与珍贵的回忆

We hope that you enjoy reading these memories captured at Lutchter High School in the year nineteen hundred seventy-five.

We feel that its greatest triumph for each of us is marked by our being unified.

From parish line to parish line, the East Bank of the Mississippi River is not extremely long or wide.

Yet had fate not dealt its crucial blow, we would never have had the opportunity to come to know each other.

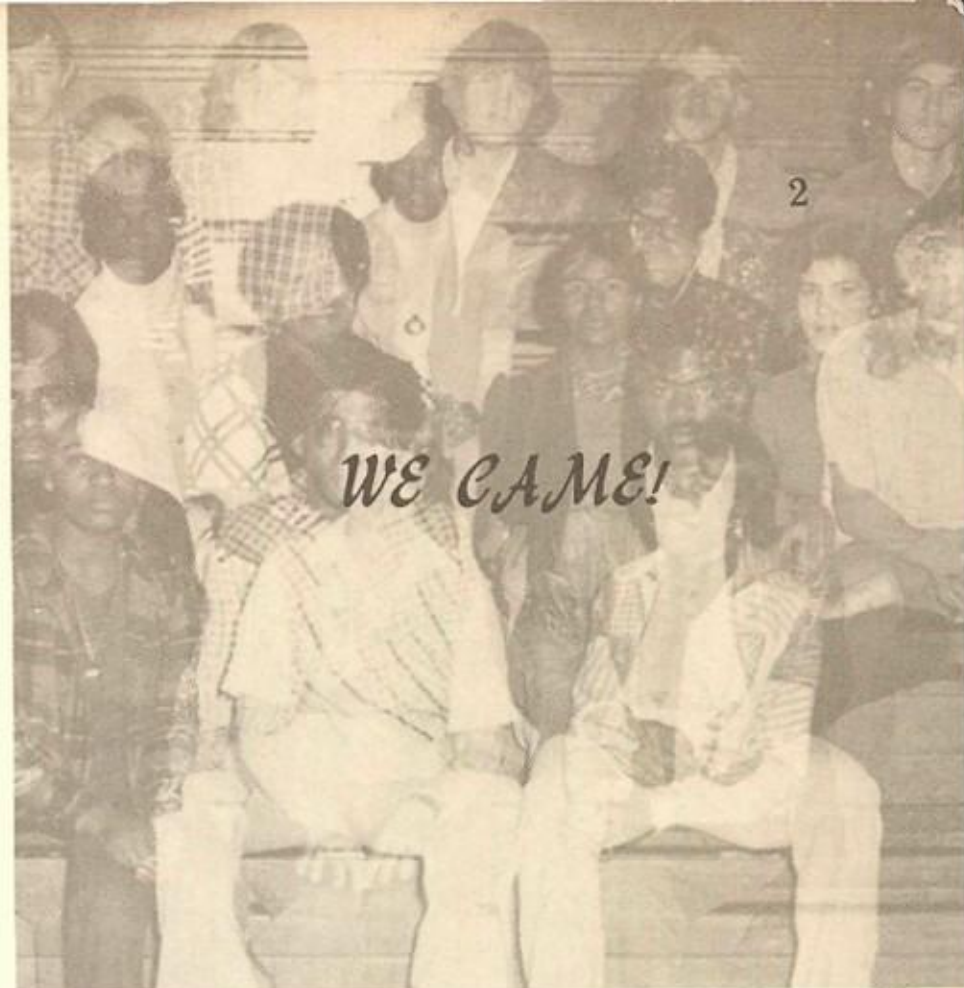

A new place for some, many new faces for all--(a variety of experiences: classes, sports, extracurricular activities, recess)--fun? work? toil? meeting old friends? or making new ones.

Whatever they were, many memories are captured within.

We wish that you enjoy reading about these, as much as we all enjoyed presenting them.

## DEDICATIONS

OF THE MANY POSSIBLE OCCURRENCES AFFECTING STUDENTS DURING THE PAST YEAR, NONE HAD A MORE PROFOUND EFFECT THAN THE CONSOLIDATION OF THE STUDENT BODY OF FOUR HIGH SCHOOLS INTO ONE.

ADJUSTMENT WAS THE KEY WORD FOR THE STUDENTS OF THE FORMER ROMEVILLE GIRLS' AND BOYS' HIGH SCHOOLS AND THE FORMER LUTCHER GIRLS' AND BOYS' HIGH SCHOOLS. THE 1975 GROWL STAFF THEREFORE DEDICATES THIS PUBLICATION TO A NEW--A COMPOSITE--LHS STUDENT BODY.

MEMORIES OF THIS TRANSITIONAL PERIOD IN THE LIVES OF THESE STUDENTS CREATE A HISTORY FOR THEM AS THE FIRST TO EXPERIENCE THE UNIFICATION OF STUDENTS IN GRADES 9-12 ON THE EAST BANK OF THE MISSISSIPPI RIVER.

## THE YEAR '75 BY JANICE BOURGEOIS HISTORIAN

A year marked with transition, a year marked with adjustment, a year marked with variety, a year marked with victory, a year marked with countless new experiences--this is the year 1975.

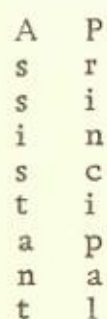

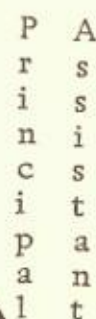

One significant characteristic is noticeable--the fact that this year is a consolidation of the student body of four former high schools: Romeville Boys, Romeville Girls, Lutch High Girls, and Lutch High Boys.

A history without a brief review from each of these high schools would be incomplete. Therefore, students from each of these schools were interviewed to relate first-hand information regarding the ninth through eleventh grades at the various schools.

**ROMEVILLE BOYS**--In the ninth grade, they were a small class in number; but they considered themselves very lucky to have a principal like Oscar Garrett. The year 72-73 approached, and this small class matured from the stage of "Greenies" into "Sophisticated Sophomores." To the class, this year did not prove to be the most exciting because activities were slow--administrator and faculty were changed. The year was one of adjustment. Harold Mitchell was named principal. Time passed; this year ended.

Now approached the time these young men considered the most exciting period of their high school career--eleventh grade. Oscar Garrett returned as principal for the school year 73-74. They were now a small class of juniors. The boys began the year by electing class officers: President, Nathan Price; Vice-President, Herman Barrie; Recording Secretary, Son Elder;

CONGRATULATIONS! I, Bertha Louque, chairman of this committee, would like to congratulate my co-workers on a job well done. Special congratulations to all the seniors. We hope we have captured for you some of the memories that you will remember for the rest of your lives.

When the following teachers were asked the question "Looking back from the year 2,000 to 1975, describe in one sentence what you would like most to be remembered about you?" They replied:

RALPH BOLDEN: I would like them to remember me for my personality and the things that I taught them that can be used in the future.

MARY GRACE CHILDS: Kermit Kraemer falling on me at the teacher's basketball game.

JEANNE CLEMENTE: I would like to be remembered for my happy, friendly smile.

BETTY COLEMAN: I would like most to be remembered by the fruits I have born as a teacher--a person who did a more effective job of teaching boys and girls in 1975 than automation is doing in the year 2,000.

RAYFORD DUHE: He cared about people!

ANGELL GERARD: I would like to be remembered as a helper.

MERITA GERARD: I would like to be remembered as "me."

ARTHUR HARPER: I would like to be remembered for my teaching of Geography and Drivers Education and the near accidents that some drivers almost came into contact with.

JOELLYN HEBERT: Remember me for what I am--a person, an individual--maturing with age and experience and changing with the times.

CALVIN KELLER: I would like to be remembered as a teacher who helped students to become productive individuals in industry.

KERMIT KRAEMER: That although the course material that I taught was difficult, every student was treated alike; assisted when necessary; congratulated when achieved; and disciplined when misbehaved--with no regard to parents, race, grade average, creed, or discrimination of any type.

KATHY LAHEY: I would like most to be remembered for the miles I walked in my classroom each day.

SHEILA LEOEUF: I would like to be remembered as someone who helped students to understand their subject matter.

JUDY LUCIA: Reminding my students that "time is running out," I would most like to be remembered winding up the antique, black-faced clock presently sitting on the book closet.

MILLIE MATHERNE: While it may be nice to be important, it is more important to be nice; and while a person may want to be understood, it is better to be understanding--she was both.

ORA BELL MORRIS: I would most like to be remembered for my professional attitude and educational accomplishments.

KAREN POIRRIER: I would most like to be remembered as a person who knew that somewhere "out there" was a "green" rose and that, as I searched for it, as it became more real, it also became more illusive.

GARLAND ROUSSEL: I would like to be remembered for having the opportunity to allow students to enjoy and study the world of science.

DARRYL ST. PIERRE: As a teacher I would like to be remembered most for my ability to joke at times and to be serious when I had to be--In other words, a teacher who has a sense of humor--One that gets so involved in his work that he is not human.

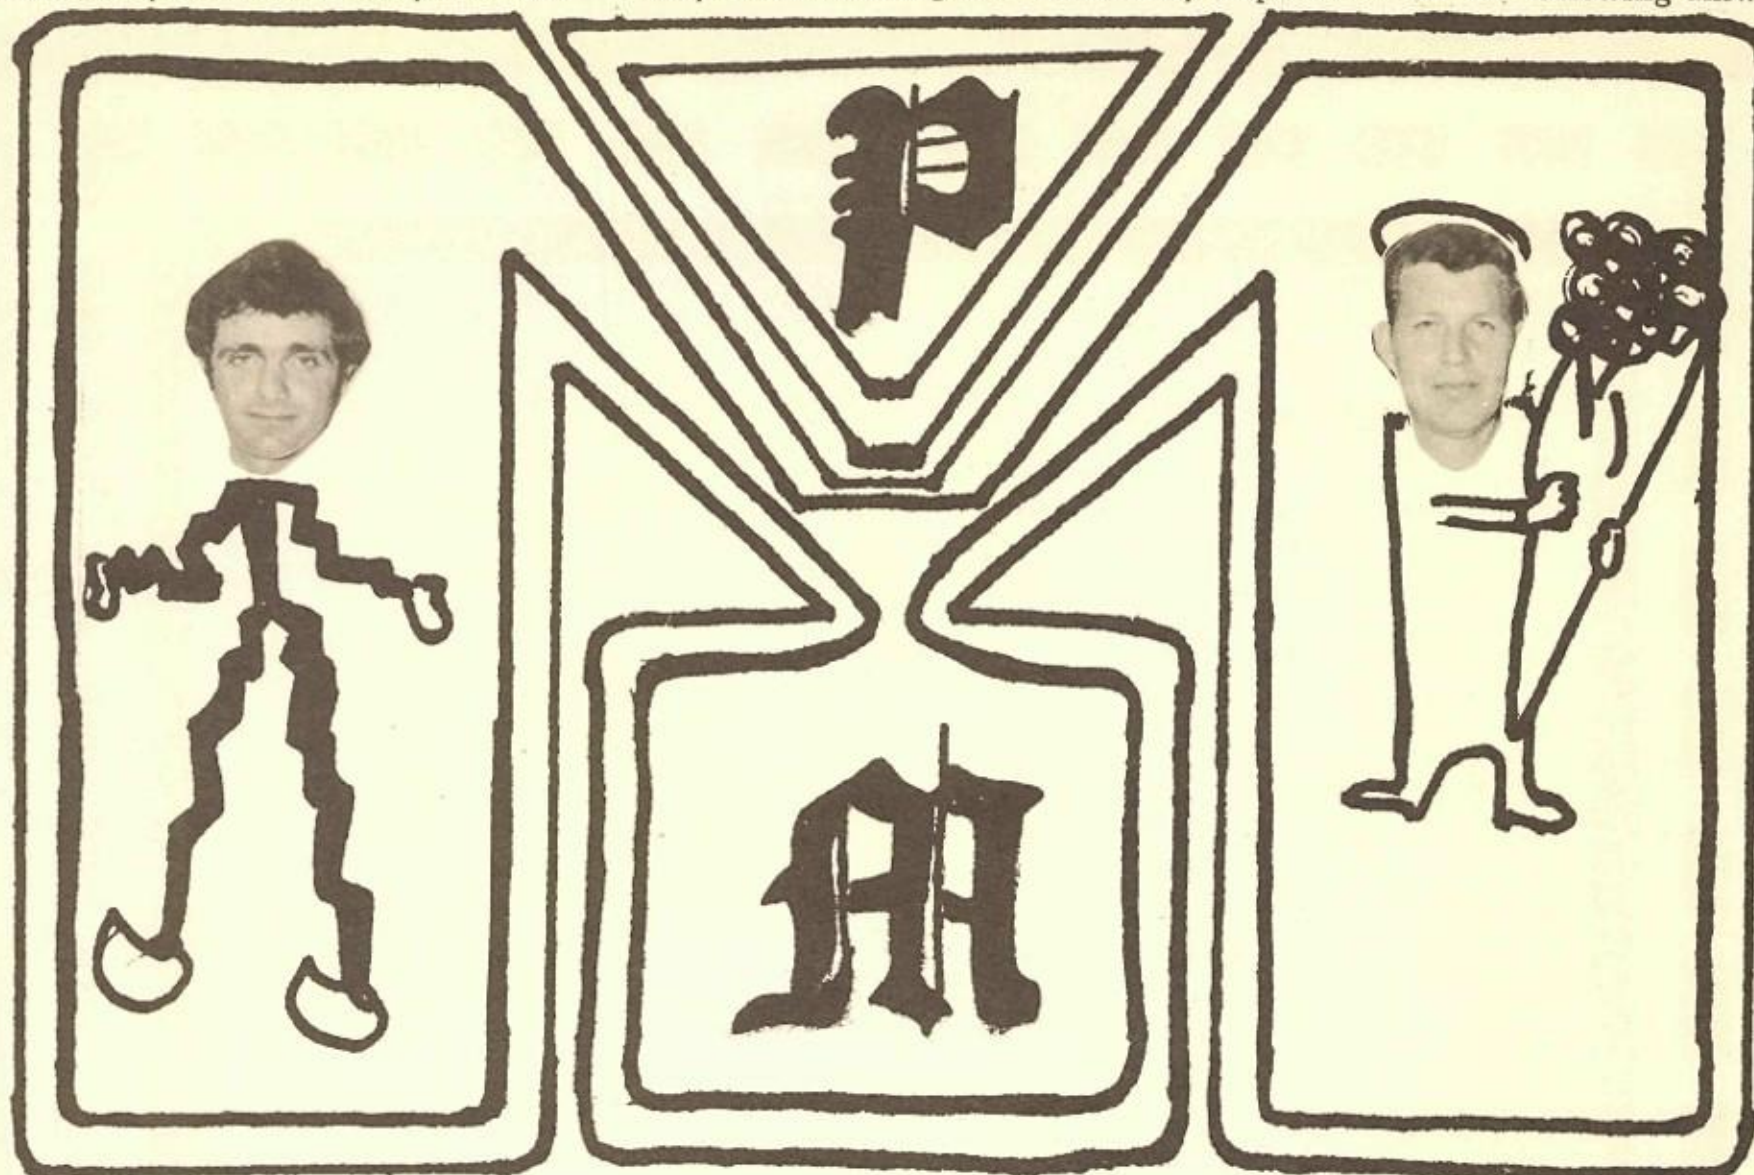

LEROY WESCOVICH: The most important memory would be for students to remember that they enjoyed having me as a teacher.

MARILYN WILLIAMS: I would like to be remembered as being competent, efficient, and--above all--concerned.

HENRY WOODLAND: I would like to be remembered as a competent, knowledgeable and kindhearted teacher who had rapport with all students.

When queried about those characteristics that comprise the personality of an outstanding educator, these teachers, selected by both the faculty and student body as outstanding LHS educators, responded with the following answers.

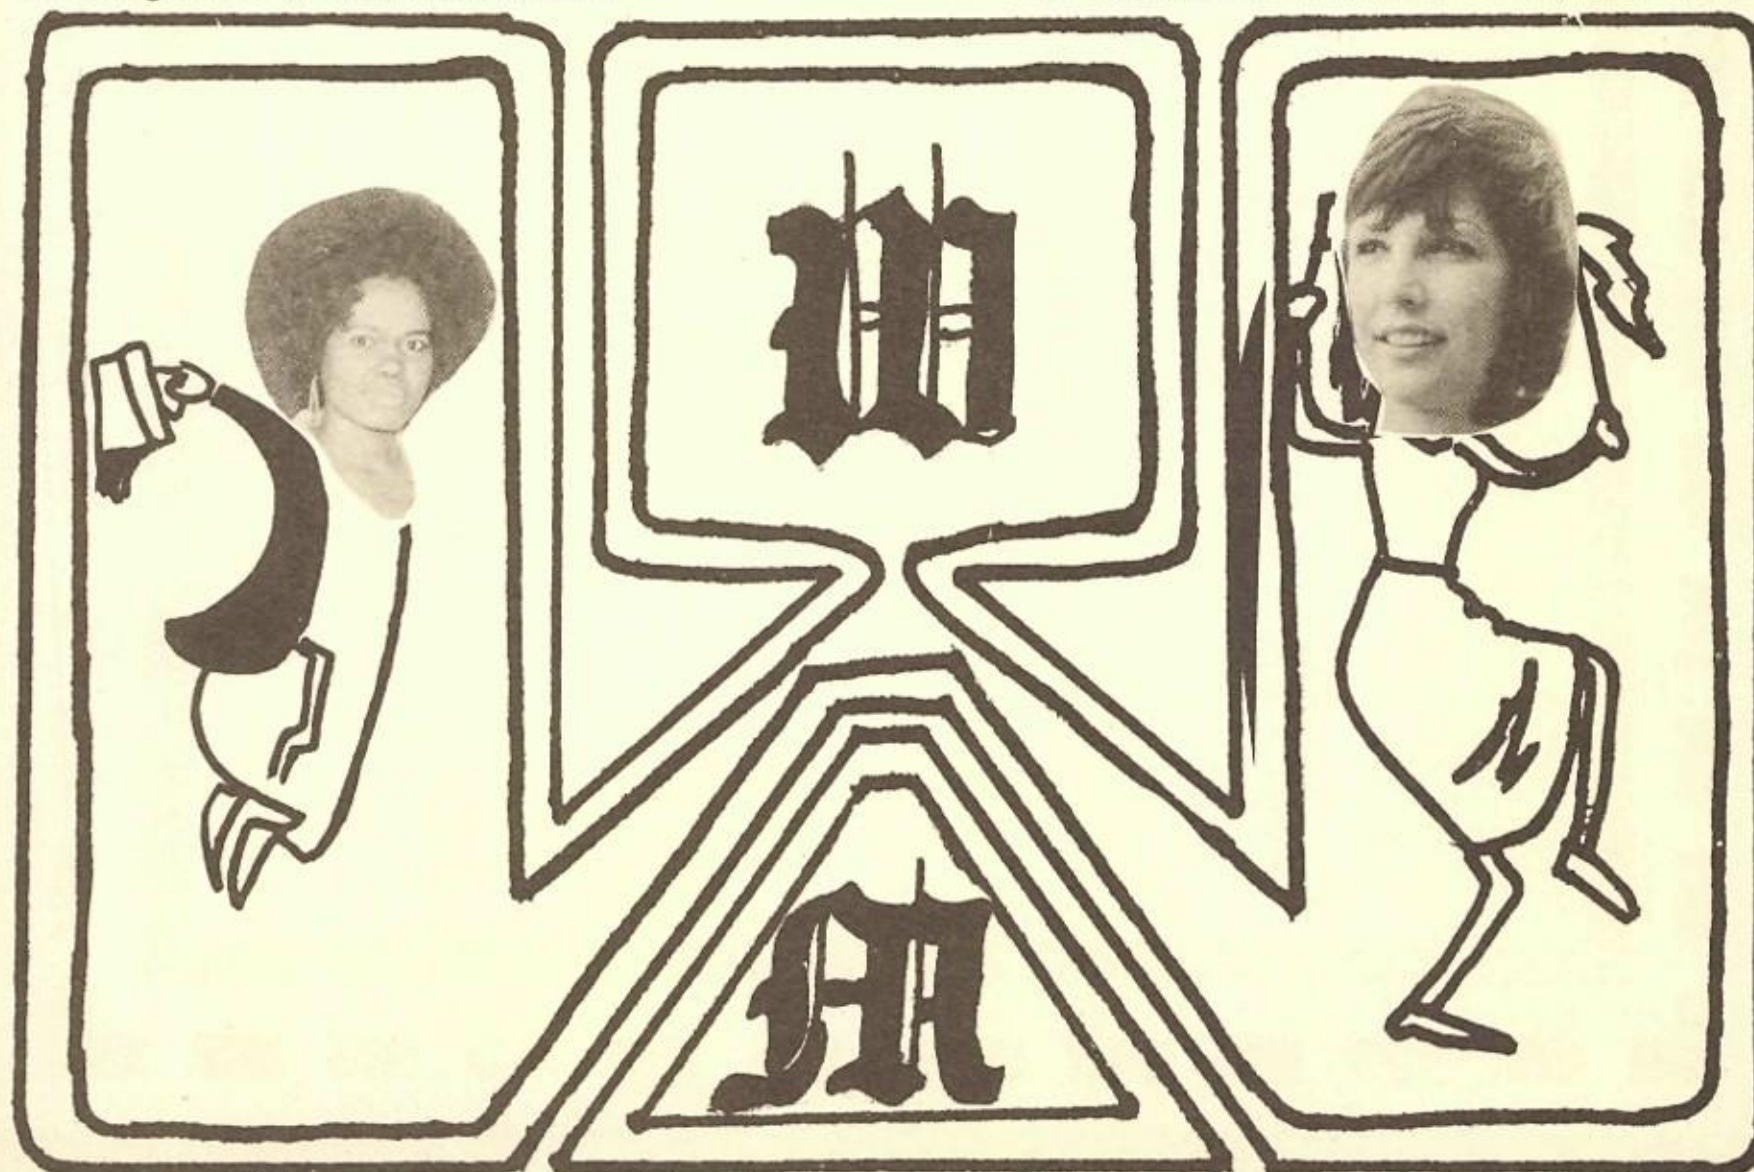

To be an outstanding "anything," a person should possess the "search" syndrome:

To seek, never to find--  
To continue to search--  
Knowing that "its" there somewhere.

Receipe for a "good teacher":

One cup of communication--  
One tablespoon of humanitarian qualities--  
Sprinkle in fairness and mix thoroughly.  
Stir with patience and serve with professionalism.

An outstanding educator should be flexible, interested in the needs of his students, and remember that education is one essential key to a better life for all.

A teacher should try to establish rapport with her students, instilling within their minds the idea that what she is attempting to do is to prepare them to meet the challenges of the future.

This class was now confronted with the task of working to raise money for the prom--a school project. Both Romeville boys and girls were involved although they attended separate schools. They were given a week of leisure time to decorate the gym for this event. The year ended, and this Class of '73 returned to school in the summer of '74 to become part of the Litcher High School 1975 graduation class.

ROMEVILLE GIRLS--The ninth grade class at Romeville Girls was only 15 in number. Walter Williams was their principal.

First, they enjoyed Freshmen Initiation. Each freshman was told to dress like men and compete in a sac race. Following this activity, the class presented a number of school plays, beginning in the ninth grade with SHOT GUN WEDDING; tenth grade, MISS CHUCK LUCK; and eleventh grade, SANTA'S TOY SHOP.

Officers were elected in the eleventh grade. Class officers included: President, Shelia Williams; Vice-President, Bernadette Joseph; Secretary, Joylin Scott; Treasurer, Darlene Francois.

Then, the exciting moment of working with the boys' school to prepare for the prom arrived.

The school/'73-'74 was crippled when fire ravished the school building. To complete the term, the girls attended classes at the boys' school on the platoon system. The boys attended classes from seven o'clock until twelve noon; the girls, from one o'clock to six.

WHERE ...

WHERE THE SUGARCANE IS GROWING,  
SUCH A SCHOOL WE HOLD.  
DEAR OLD LUTCHER, ALMA MATER  
HAIL TO PURPLE AND GOLD.

ALMA MATER

LUTCHER ...

LUTCHER HIGH SCHOOL STANDING PROUD  
BY THE RIVERSIDE,  
WE WILL NEVER CEASE TO LOVE YOU  
FOR YOU ARE OUR PRIDE.

**LUTCHER HIGH BOYS**--In 1971 83 boys entered Lutchter High Boys for the first time. They entered with apprehension and no girls. After a few weeks of trying to adjust to a new school, a new environment, and at the same time, getting adjusted to the principal's cry "I dare you" and "get with it," they settled down to class work. Norman Buckner, principal, "held a tight reign."

A number of boys joined various sports, organizations, and school clubs. Their sports endeavors were not headlines. They were just about what their spirits were--very low--no girls! The year ended.

Summer passed, and the boys began their Sophomore year with a decrease in class enrollment. The boys supported a magazine sales campaign, were the Bi-district runners up, and were always ready to eat their lunches. Running to the cafeteria to get in the lunch line marked the most memorable occasion for the school year '71-'72.

The eleventh grade was a memorable one. This was time to order class rings. Also, this was the year the boys placed high hopes in the success of the football team. Their hopes proved successful

Their hopes proved successful when the team had the opportunity to compete in state championship play offs. The team lost to arch rival Destrehan.

Sadness struck when the school as well as the community suffered--one of football's potential All-American greats--Wayne Albert--was injured. His football career was snapped to an abrupt halt as a result of an injury suffered during practice.

The year ended with a memorable occasion. The Library Club traveled to Orlando, Florida. The principal's motto: "You must have morals, or you will crumble like a cookie" joined the boys on their trip.

CONCENTRATION PLUS--That's the way, Sheila Williams! You've got the ball, now sink it!!

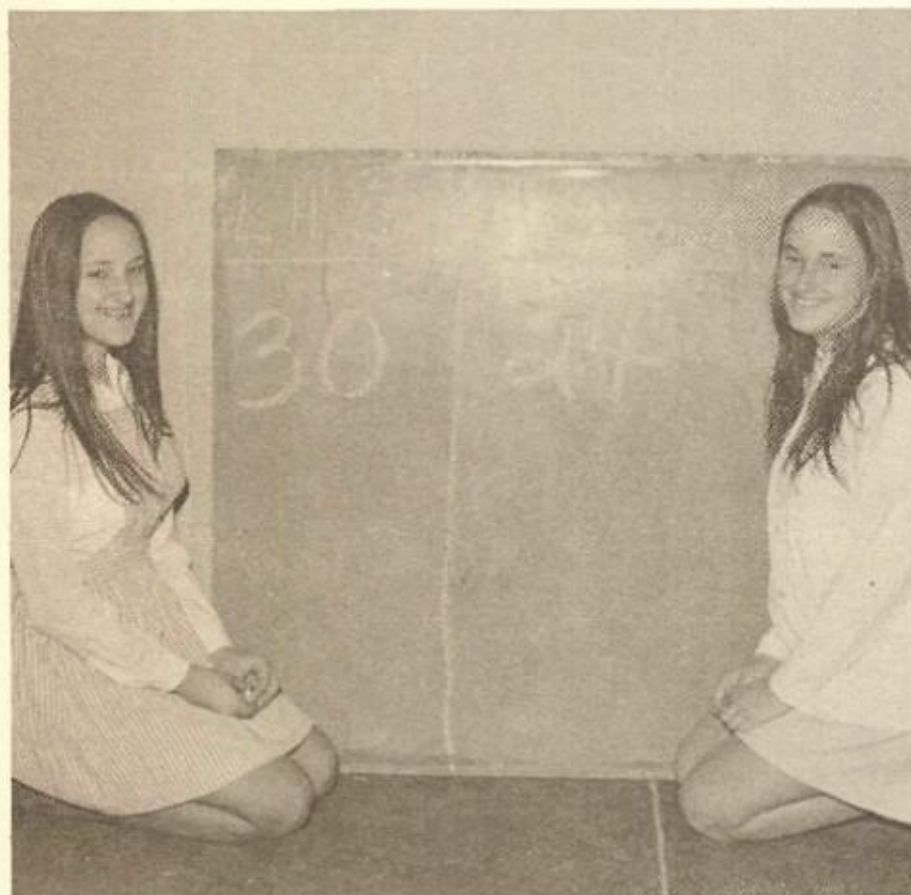

# ALL-DISTRICT PLAYERS

LADIES? OF COURSE!--On the court they were just as physically fit as boys. Brenda Poche (LEFT) proved to be an effective ball player who constantly got into trouble when off the court (like the day she squirted Mrs. Matherne with water). Renee Zeringue (CENTER)

earned a position on the varsity team since the ninth grade (a petite girl with a big heart for basketball). Sheila Williams (RIGHT) played basketball for the first time this year (playing like she had been born playing basketball).

SCOREKEEPERS--Gaynell (LEFT) and Darnell Abadie (RIGHT) were the official scorekeepers for the basketball games; that is, until the scoreboard was repaired. Well, Twins; aren't two heads better than one?

MANAGERS--Angela Veron (LEFT) a senior, was the scorekeeper for the girls' basketball teams for the past four years. Coach Matherne and the rest of the team will certainly miss her accurate record keeping ability. Lynette Watson (CENTER) and Bertha Loque (RIGHT) "had their hands full." They did everything from bandaging bruises to cleaning lockers. Dedication is the key word describing these managers.

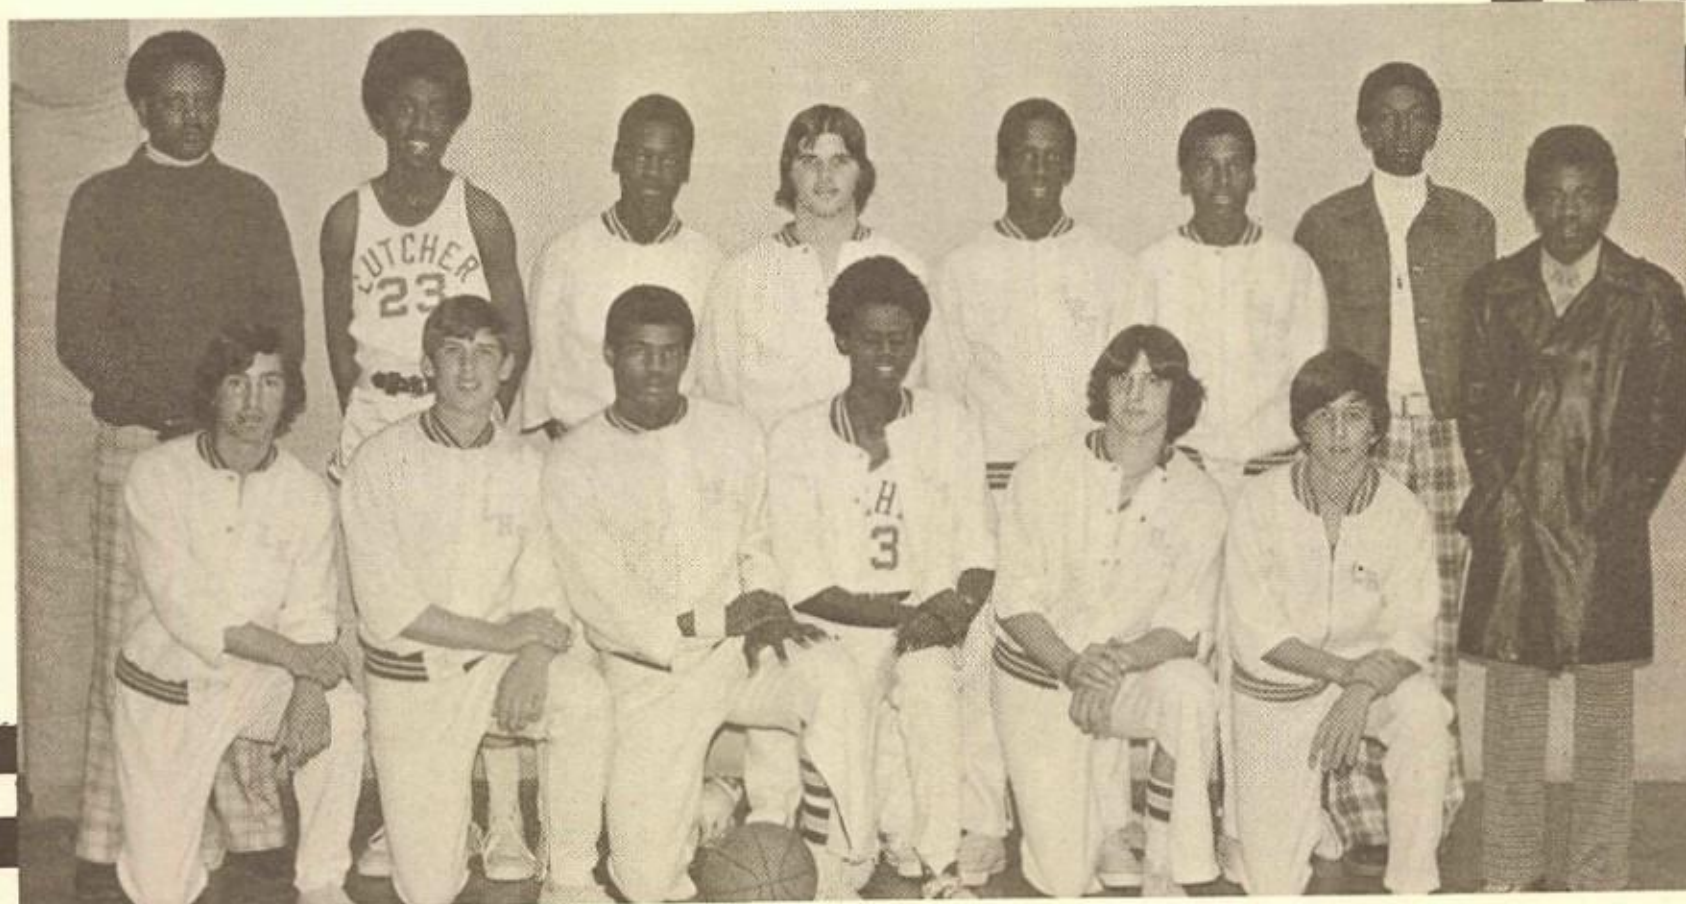

# WE TRAVELED TO TOP TWENTY

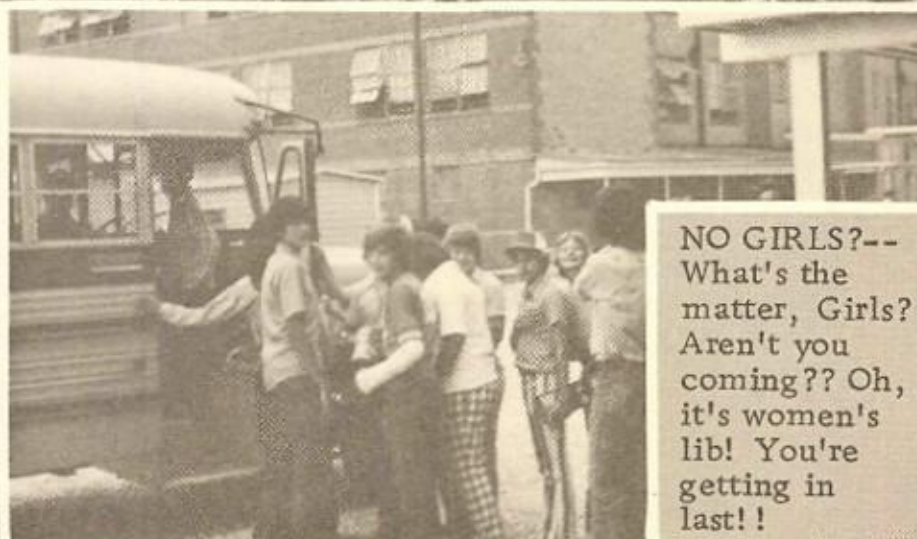

LHS VARSITY BULLDOG CAGERS--Following their coach's instructions carefully, the varsity players proved that "work pays." BOTTOM ROW: (LEFT TO RIGHT) Gregory Griffin, Darryl Nicholas, Aaron Joseph, Derek Anderson, Mark Bradley, Lester Landry TOP ROW: Coach Butch Little, Donald Roddy, Eldrin Scott, Herman Barrie, Dale Armont, Ralph Dicharry, Craig Williams

JV BULLDOG CAGERS--Determined to perform to the best of their ability, the JV team struggled through a rough season. NO GIRLS?--  
 What's the  
 matter, Girls?  
 Aren't you  
 coming?? Oh,  
 it's women's  
 lib! You're  
 getting in  
 last!!

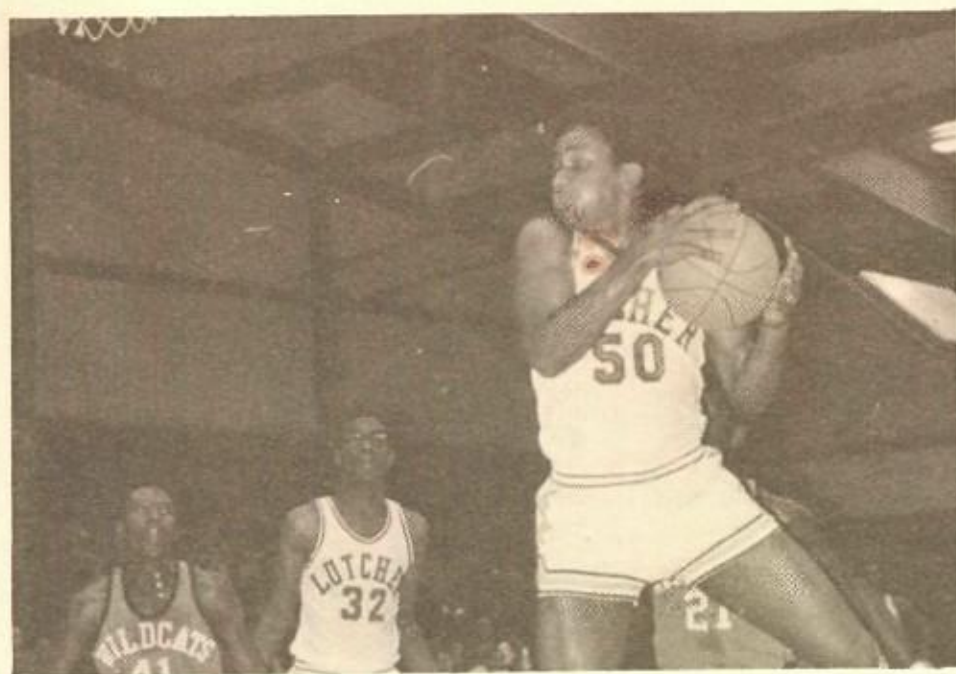

BUT THE BUZZER  
 DIDN'T SOUND--  
 Hey, you Guys!  
 The game's to the  
 left!!

A PENNY FOR  
 YOUR THOUGHTS,  
 COACH -- Coach  
 Harper, the game's  
 in the gym! Are  
 you thinking? Or  
 are you looking for  
 four leaf clovers??

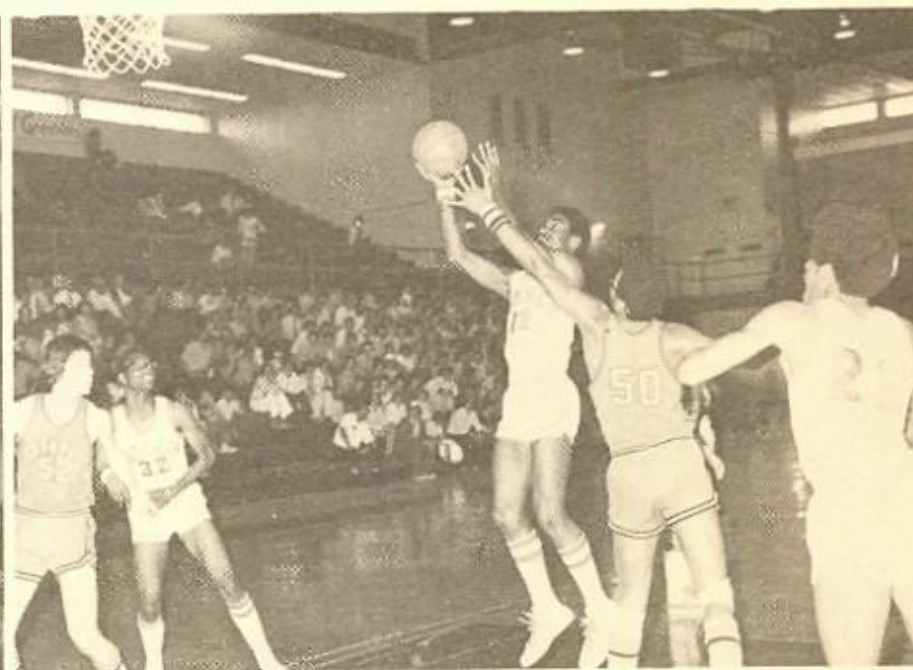

UP IN A PUFF OF SMOKE--Aaron Joseph (50), an excellent rebounder, exerted his expertise in the Catholic High game to score the winning points.

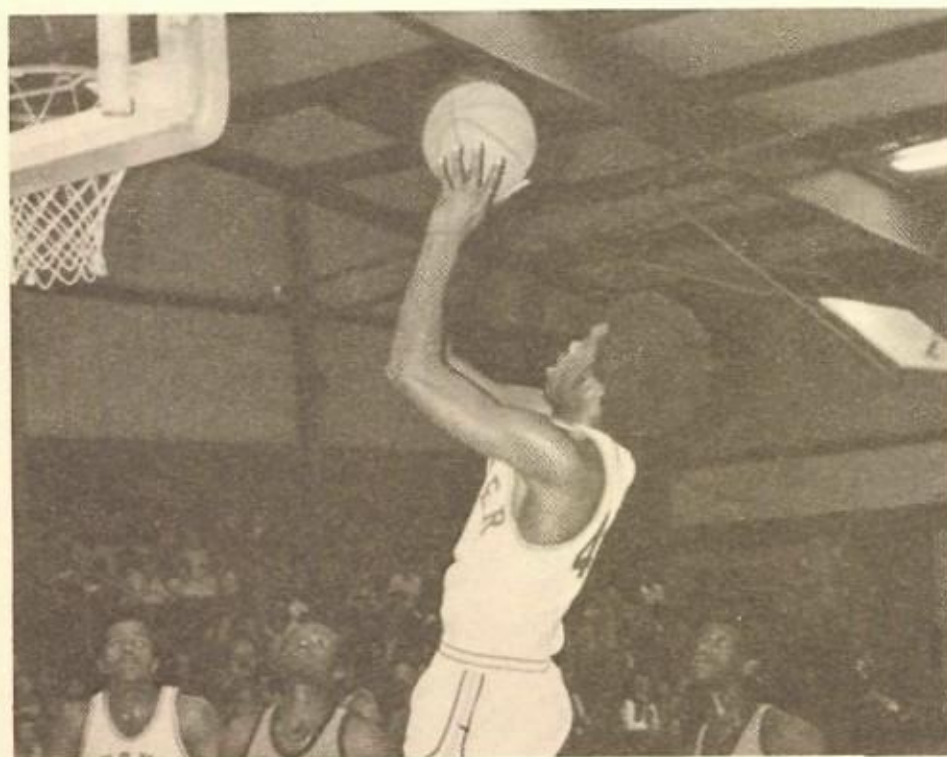

LITTLE PLAYMAKER--Herman Barrie (10) was one of the smallest men on the team but one of the best. He was "king of them all."

STEPPIN' UP--What goes up, must come down--the law of gravity! Mark Bradley (22) did go up; and he came down, too--but most times on a player!

BE AGGRESSIVE--Remember that cheer? That was Lester Landry--a g g r e s s i v e--always after the ball.

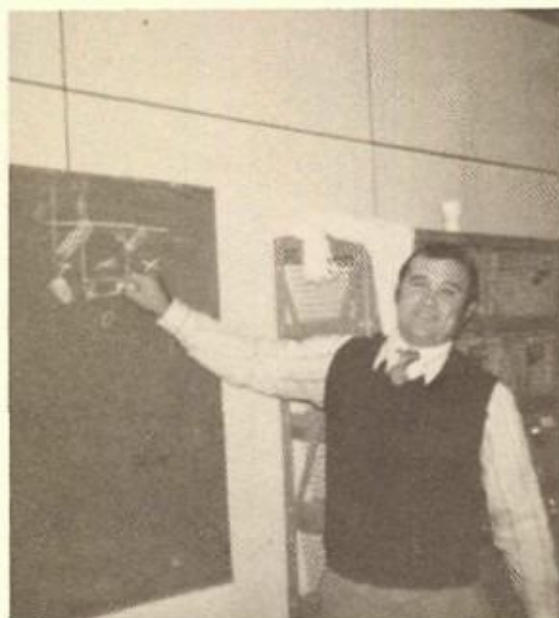

"AWH, MAN"--Darryl Nicholas (4) took a lot of long shots and usually made them; but when he didn't, all he said was "awh, man!"

WHERE THERE'S SMOKE, THERE'S FIRE--Gregory Griffin (33) was also an excellent rebounder. And now and then he smoked in two points.

# SPRING SPO

LUTCHER HIGH GIRLS--To begin the ninth grade at Lutch High, students attended a brief orientation during the summer.

Julius Derbigny, Principal; and Karen Poirrier, Assistant Principal, welcomed the "Greenies."

This year was one of adjustment for the freshman class--new administrators, new faculty members, a new environment, new courses, added responsibilities. Time passed. This year of adjustment ended.

School opened for the term '72-'73. Freshmen were now an "average" class of Sophomores. As had previous tenth grade classes, they sponsored the annual magazine campaign and successfully raised a substantial amount of money to purchase benches for the campus.

Eleventh grade approached. The black and the white students worked separately to raise money for the junior-senior prom. Boys and girls worked together.

The year ended. The school term '74-'75 promised to be an exciting one.

LUTCHER HIGH--The students from all four high schools were consolidated into one high school. Norman Buckner was named Principal; Karen Poirrier returned as Assistant Principal; and Eldridge Steptoe was appointed Assistant Principal, also.

The '74-'75 graduation class was the first to experience consolidation. The campus represented 933 students, 171 of which were seniors.

Separated since 1969, boys and girls enjoyed conversing together as they attended classes or strolled the campus during recess.

**JOB WELL DONE--**The GROWL Staff extends special thanks to Claire Accordo (LEFT) and Joanne Simon for their diligent efforts to coordinate pageant activities. Congratulations, Claire and Joanne!

**SR. MEMORIES--**Tina Roussel (LEFT) and Justine Vicknair, responsible for the Senior Poll and the Sweetheart section of the GROWL, pay tribute to the '75 Srs. as they capture memories of these two activities.

New administrators, new faculty members, new students--these were combined with a variety of new courses added to the curriculum; namely, art, COE (Cooperative Office Education), and journalism.

To plan activities for their senior year, the class elected officers: President, Angela Landry; Vice-President, Lynn Bourgeois; Secretary, Kay Bourgeois; Treasurer, Byron Zimmer; Historian, Janice Bourgeois.

Faced with the task of attempting to eliminate friction as a result of the Senior Poll, a GROWL advisory committee was formed. This committee consisted of two black girls, two white girls, two black boys, and two white boys elected by the class to establish criteria for selection of candidates. This committee demonstrated the concept of democracy in action as students established criteria to conduct their own class business.

Senior joined the clubs of their choice. The time to pose for organization pictures for the school annual THE GROWL arrived.

November neared, and the excitement of Homecoming penetrated the campus. The 21 senior football players each chose a co-ed to represent them by serving as a maid in the Homecoming Court. A pep rally was held in the gym. Each young lady and the football player whom she represented were introduced to the student body. The football team voted Giselle Poche as the '75 Homecoming Queen.

The time for Senior Portraits approached. The thought was thrilling to the entire class. They had waited twelve years. In addition to posing for their individual senior portraits, the members of the class posed for "unity" pictures to represent the consolidation of the student body in the '75 GROWL.

# ADVERTISING

**INFLATION FIGHTERS**---At the beginning of the school year, these eight students canvassed the community to solicit ads for the annual. The money raised through their diligent efforts (especially that of Mary Ann Lambert), combined with the funds from the GROWL Sweetheart Pageant and the GROWL Variety Show, enabled the staff to sell the 1975 yearbooks at a price of only 50 cents more than last year. Congratulations, Ads Committee; you've saved the purchasers from "inflation."

**BOTTOM ROW (LEFT TO RIGHT):** Paul Bossier, Mary Ann Lambert, Linda Ordeneaux (chairman), and Earline Louque. **TOP ROW:** Tommy Ragas, Laura Zeringue, Danielle Laroze, and Carrie Matherne.

# ANNOUNCEMENTS

Faced with the task of capturing memories of special events capsuling daily news members of the 1975 GROWL staff combined their talents to present a book as varied as this year of transition.

A very special "thank you" is extended to Mrs. Karen Poirier. Her faith in the staff's ability is characteristic of her profound belief in youth.

Special appreciation is extended to those staff members who were flexible in accepting new and varied assignments and to Mrs. Audrey Duhe and Mr. Clavin Keller for their assistance with the GROWL Beauty Pageant.

The staff is indebted to Mr. David Reynaud of THE NEWS-EXAMINER and Mr. Joseph Lucia, Jr., of THE L'OBSERVATEUR for donating their time and or photographs and to Mr. Bob Dufresne not only for his service as a photographer but also for his suggestions and morale support.

A special thanks to the businessmen for purchasing advertisements in the GROWL. Without their financial support, publication would have been an impossibility.

Another year in the history of Lutchter High School ends. But this end symbolizes a beginning--the birth of a high school campus which houses all public high school students on the East Bank of the Mississippi River. May each of us create our own path in the years ahead. One characterized by our individuality and the experiences we gained as students living and learning in an atmosphere of change and variety. As we journey our separate way, may we remember when we were united under the banner of purple and gold.

CHARMAINE BLANK, EDITOR

February was highlighted Miss GROWL Beauty Pageant. Each club voted one senior girl to compete for the title MISS GROWL. Poise, beauty, and talent were the criteria for selection. Donna Tramonte, representing the Drama Club, was awarded the coveted title.

April 9 ended an especially demanding time. Seniors had selected a motto, class colors and had written a class song. These were displayed on a threefold invitation, which arrived on campus on April 9. The invitation was different, admirable, and seniors were especially happy.

April hosted a number of activities. Class night and graduation had to be planned. Angela Landry organized committees to prepare for these activities. Mrs. Poirier coordinated both these activities for the seniors.

May arrived. A major highlight was the Baseball team's victory over Catholic High of Baton Rouge to win the 7AAA State Championship title.

The '75 senior class graduated on Wednesday, May 21, 1975. The ceremonies were held on the football field--a location which had not been used since 1960. A total of 159 seniors received diplomas.

Earning a 4.0 grade-point average, Leslie Levet captured the title of Valedictorian of the '75 Graduation Class. Paul Bossier, Donald Brignac, and Timmy Thames each earned a grade-point average of 3.950 to tie for the title of Salutatorian.

The 1975 Senior Class pays tribute to Lutchter High School by emphasizing its motto: "Knowledge Comes. But wisdom lingers." and by stressing the concept that "We all know that although we are leaving Lutchter High, the knowledge taught here will always remain a part of us; and in future years we, as individuals, will be confronted with the task of acquiring wisdom."

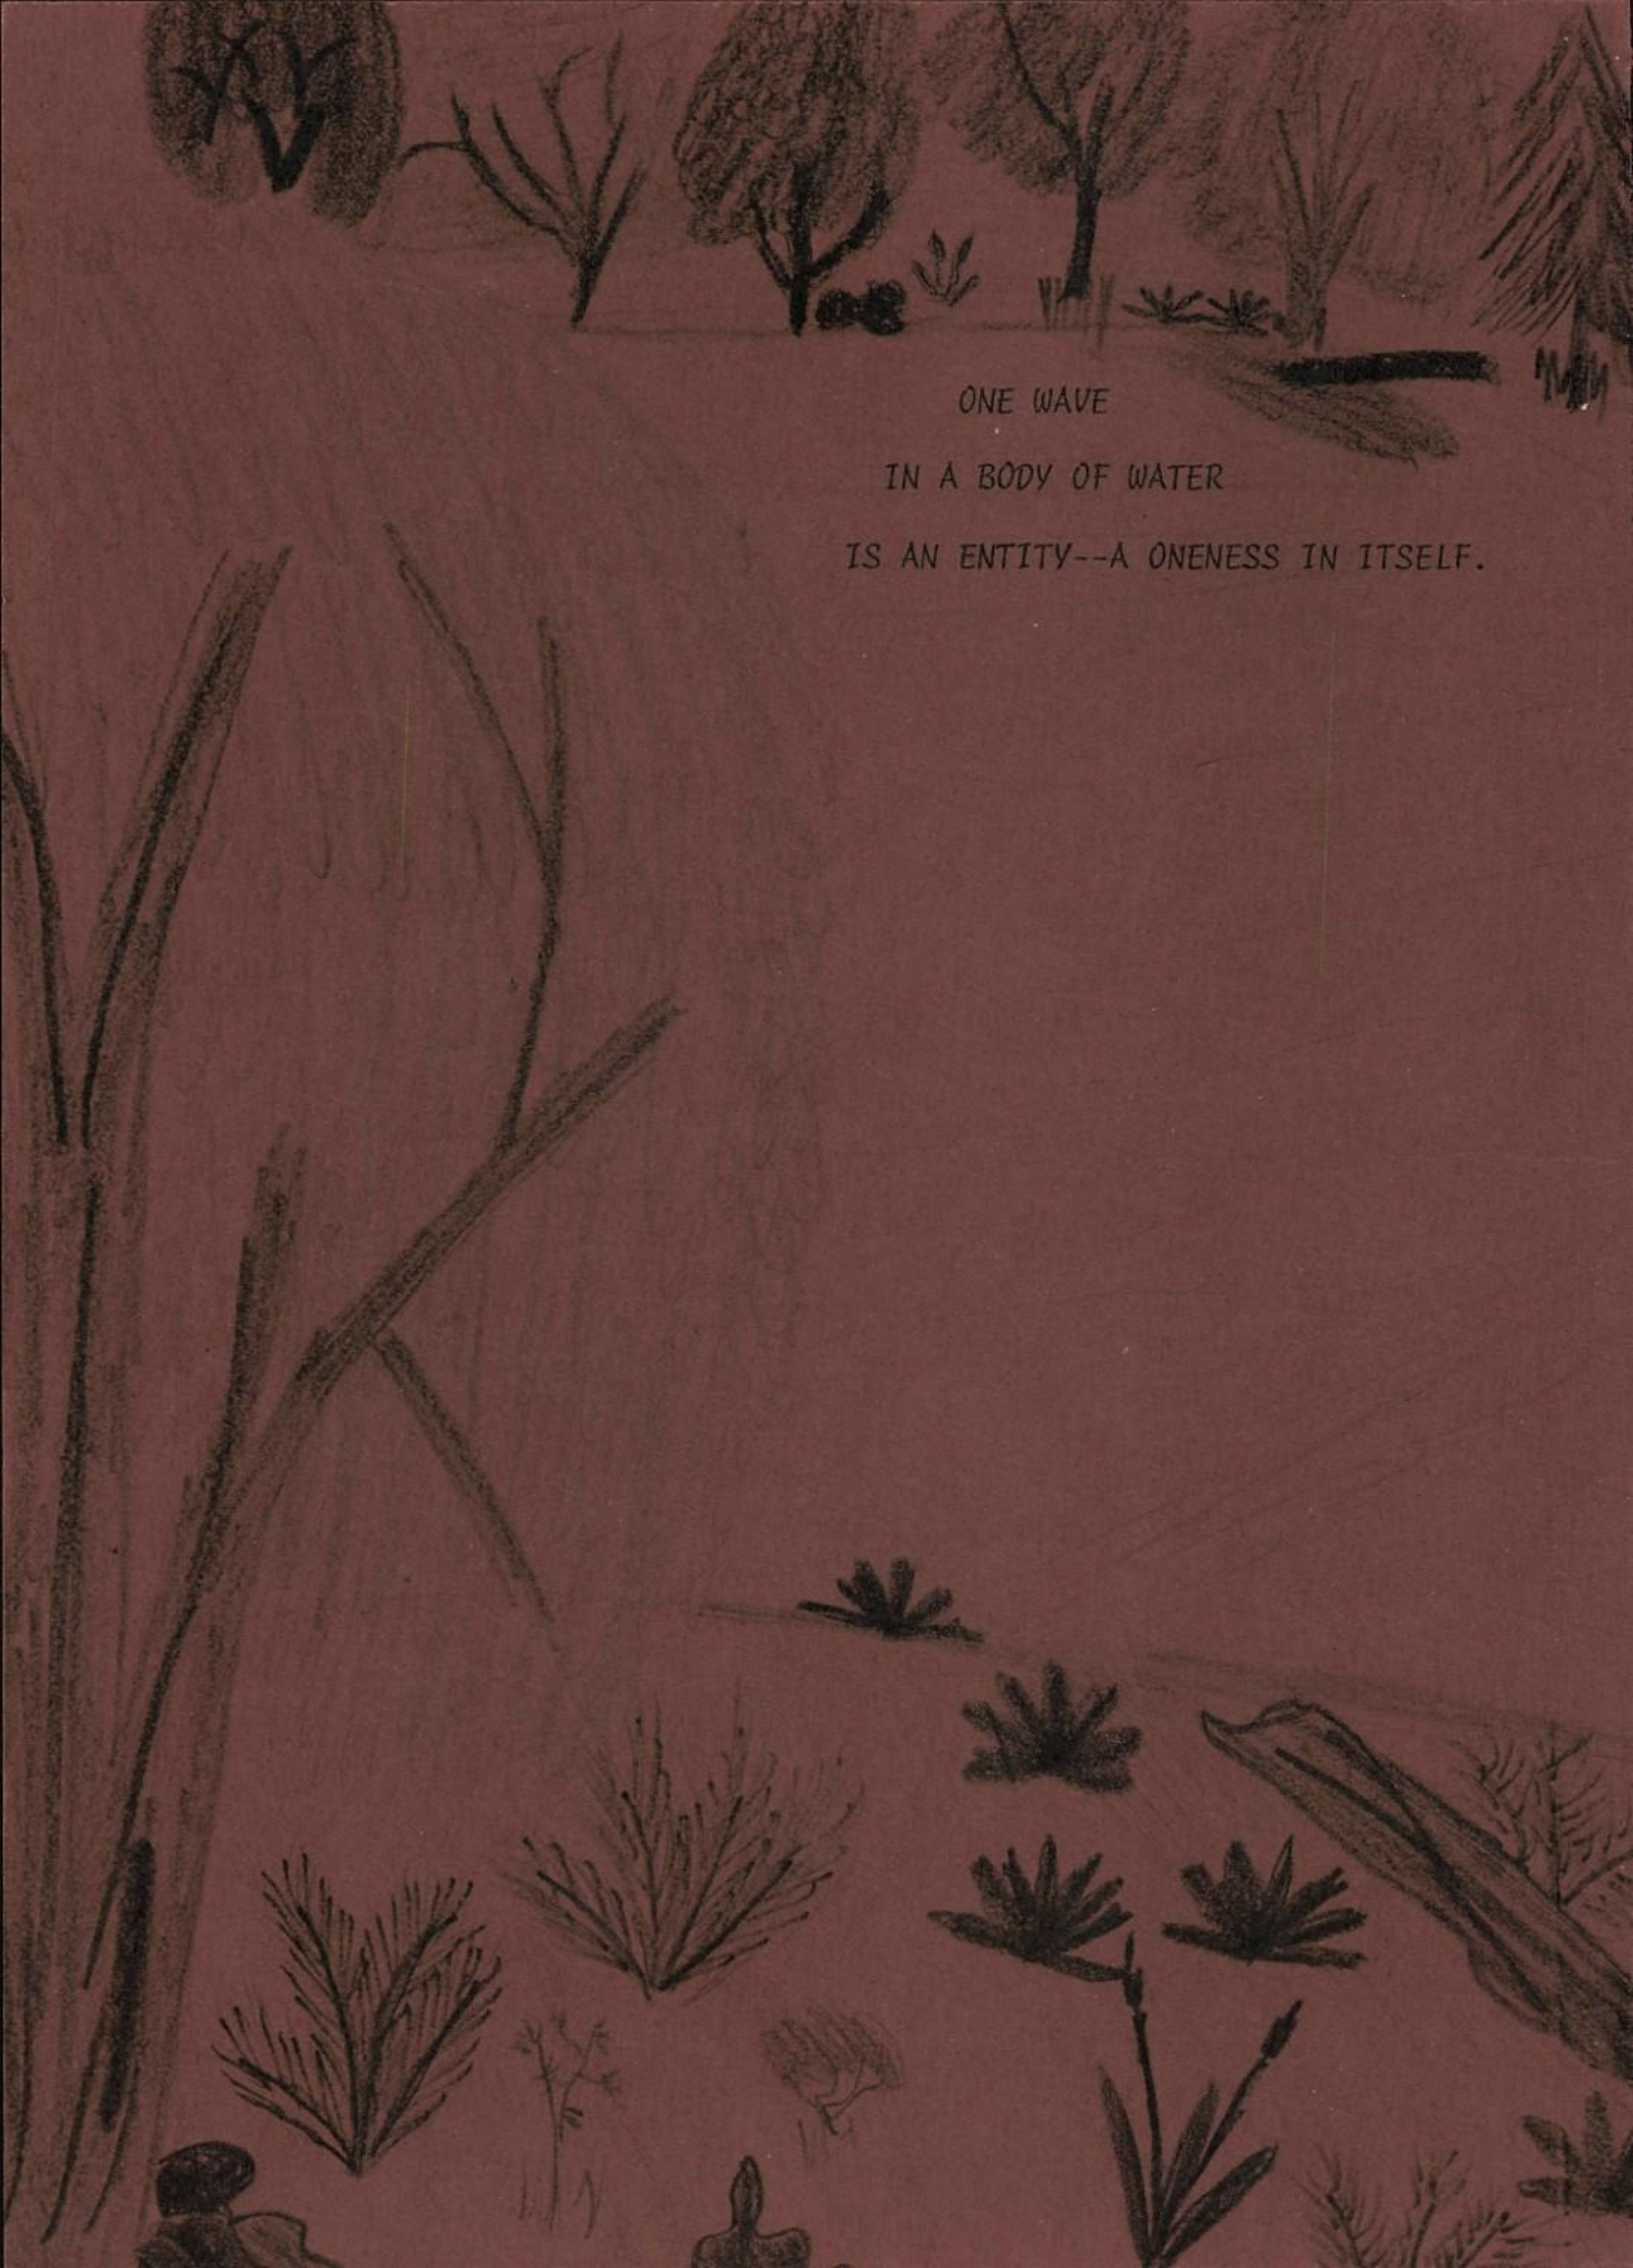

The image is a charcoal or pencil drawing on a textured, reddish-brown paper. The top portion of the drawing depicts a shoreline with several trees of varying shapes and sizes, some with dense foliage and others more skeletal. A dark, horizontal line suggests the edge of a body of water. The middle section of the page is dominated by the text, which is centered and written in a simple, uppercase, sans-serif font. The bottom portion of the drawing shows a body of water with several reeds or tall grasses on the left side, leaning towards the center. In the lower right, there are several small, dark, star-shaped plants or flowers. The overall style is minimalist and contemplative, with a focus on natural elements and a philosophical statement.
